

Heart American Flag Craft

Show your love for the U.S.A. with this adorable heart flag! This craft is like a fun patriotic puzzle for kids to make. It's perfect for any of the American holidays. Make this craft while reading the book [What Does It Mean To be American?](#) by [Rana DiOrio](#)

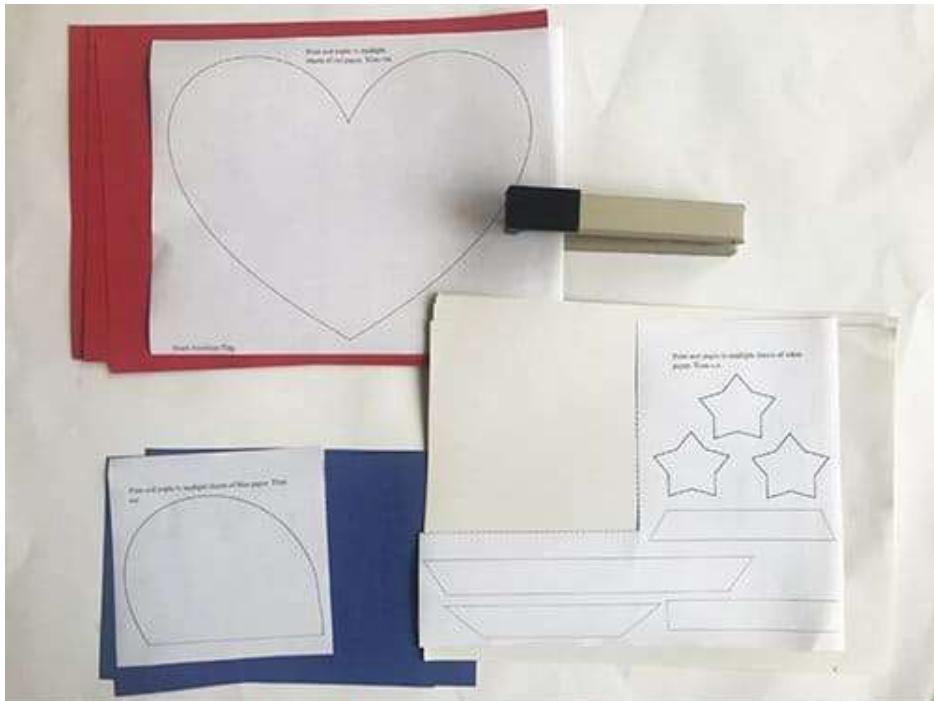

CraftingJeannie.com

Materials

- Flag Heart Template (below)
- colored copy paper, colored cardstock, or construction paper
- scissors (good pair)
- stapler
- glue sticks

Print the Template and Cut Out the Craft Shapes

CraftingJeannie.com

Once you have the template printed, separate the pages based on the final craft color. Then, staple each template to multiple sheets of construction paper and cut out all of the shapes you need.

For each flag you will need:

- 1 red heart
- 1 blue semi-circle
- 3 white stars
- 4 white stripes

The white strips from the template are a little longer than the heart. This way they are easy to glue to the heart and can be trimmed when the heart is completed.

How to Assemble

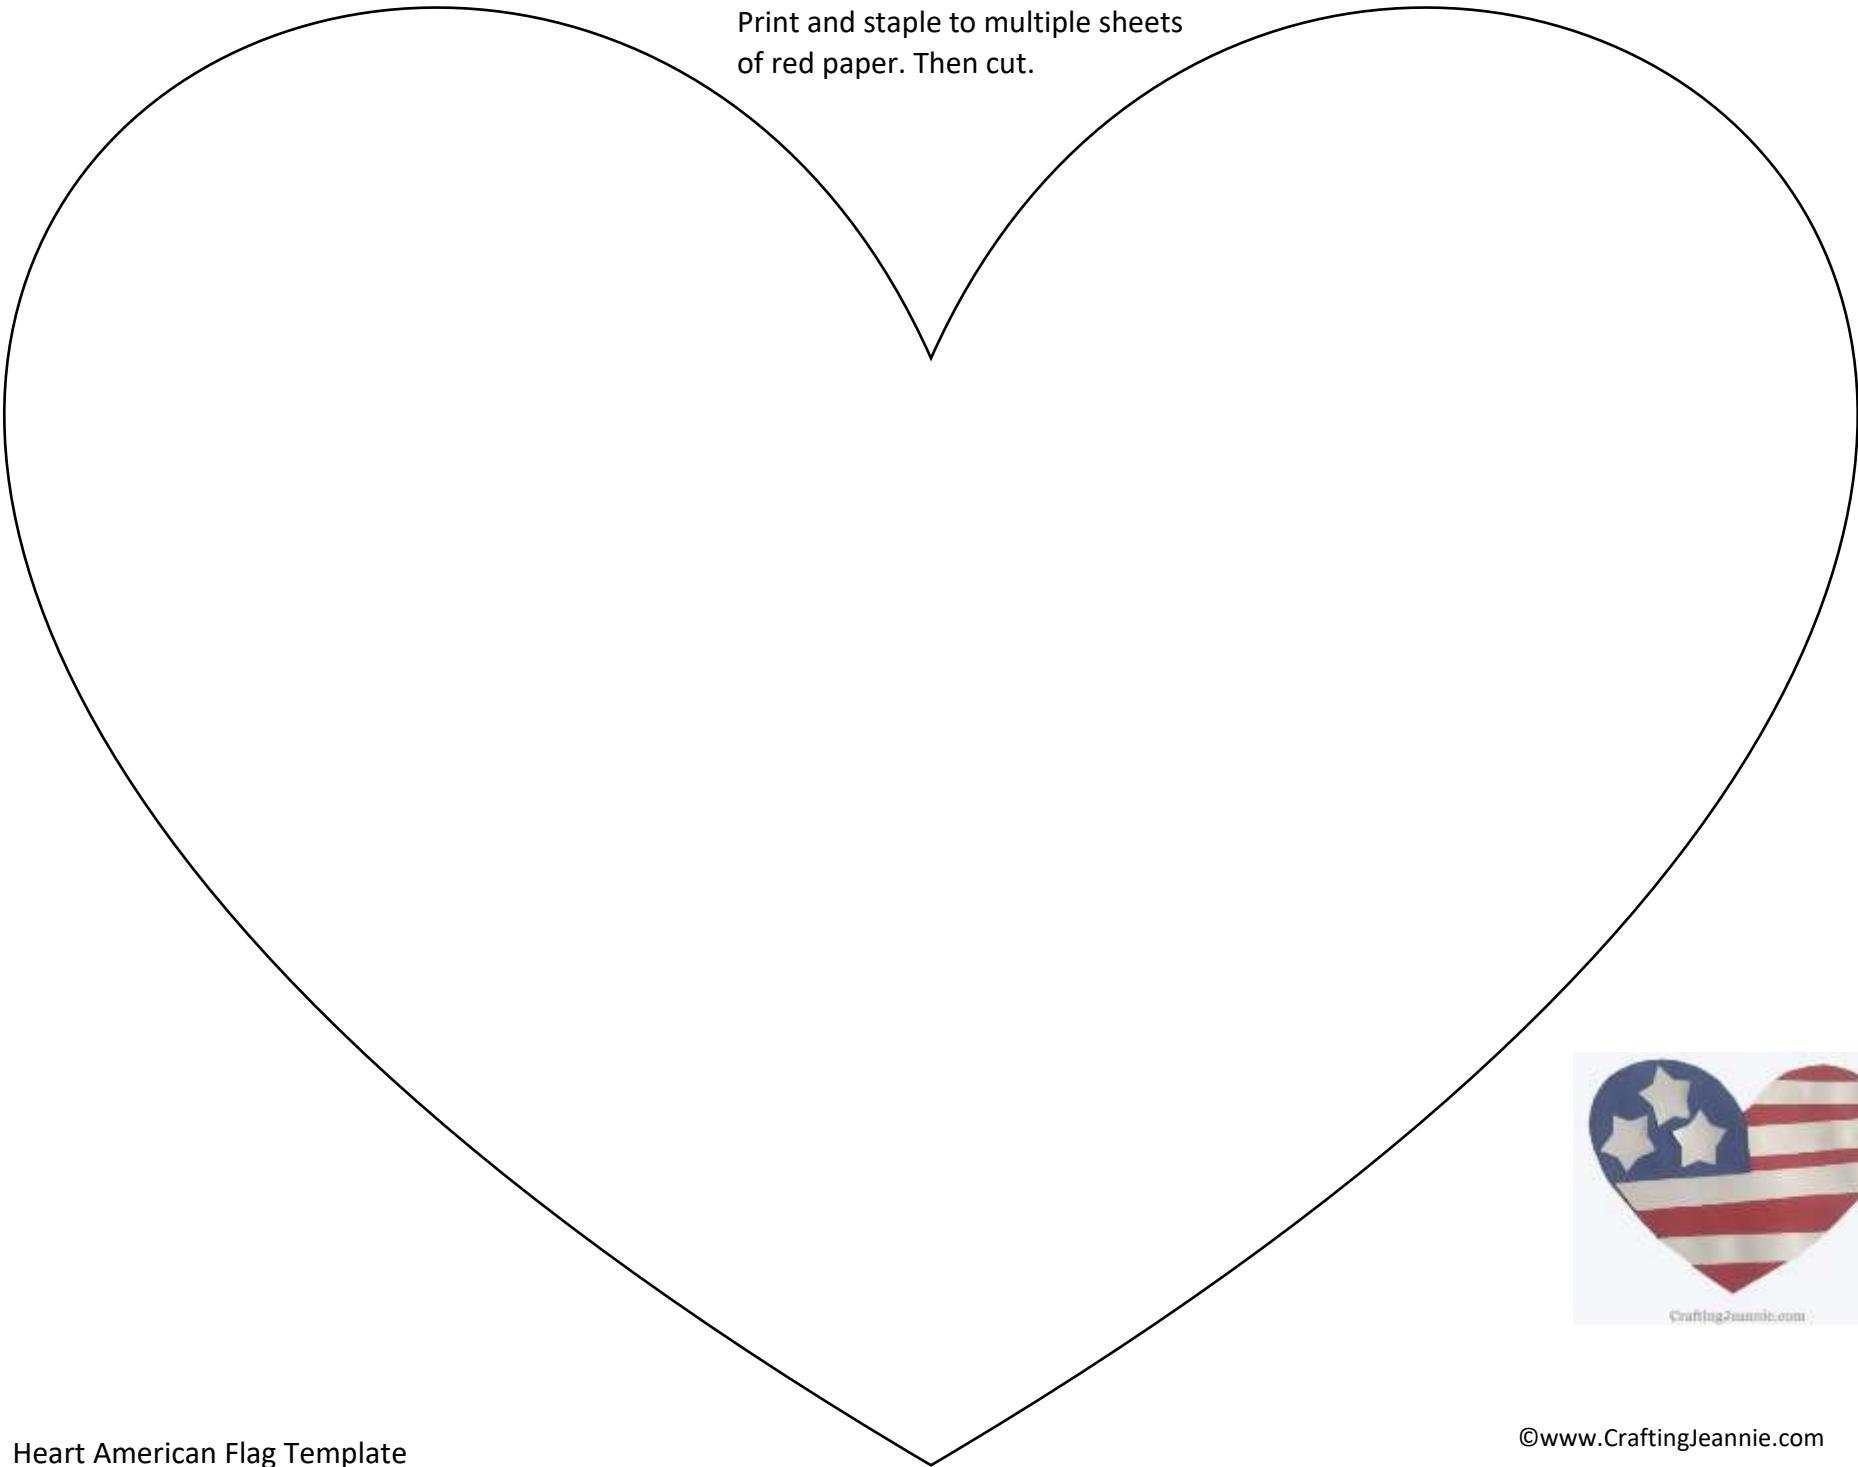

CraftingJeannie.com

I recommend having a flag that is already put together so the children can see what the final version will look like.

1. Start with the red heart.
2. Glue the blue semi-circle to the top left portion of the heart.
3. Glue the white stars onto the blue semi-circle.
4. Glue on the white stripes (this can be a little tricky, rotate the stripes until they fit best).
5. Don't forget to write your name on the back.

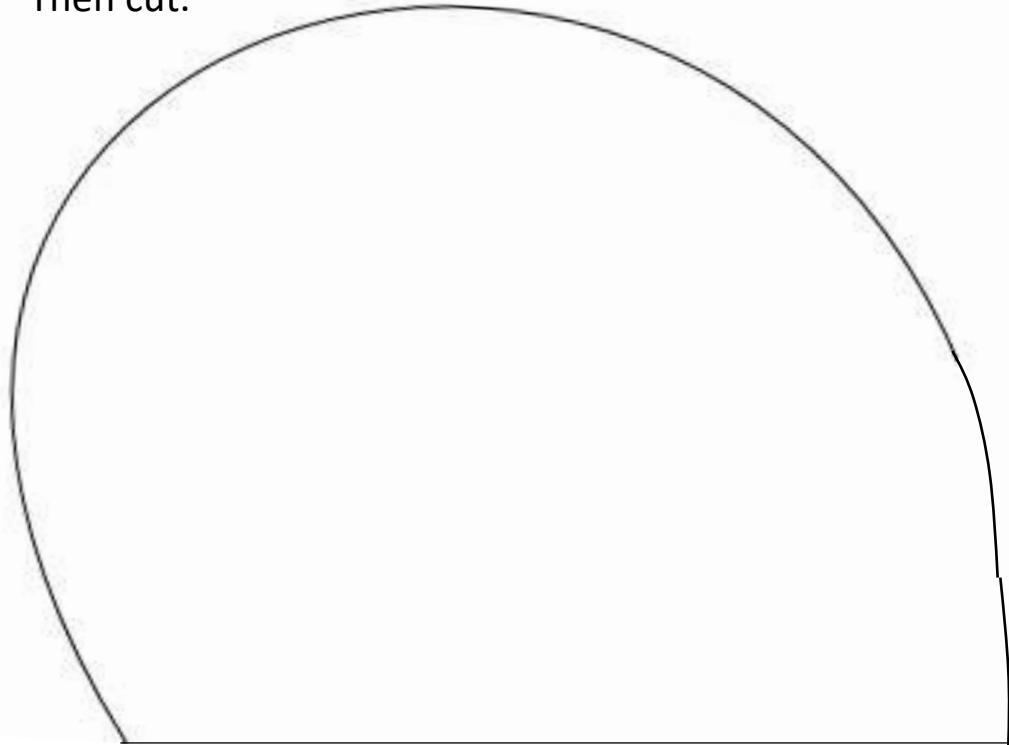

And you're finished!

Print and staple to multiple sheets
of red paper. Then cut.
